

Common Glen Canyon native plant species in restoration zone

- Fremont's cottonwood**, *Populus fremontii*; native tree
- Goodding's willow**, *Salix gooddingii*; native tree
- Coyote willow**, *Salix exigua*; native shrub
- Seep willow**, *Baccharis salicifolia*; native perennial shrub
- Willow baccharis**, *Baccharis salicina*; native shrub
- Longleaf brickellbush**, *Brickellia longifolia*; native shrub
- Narrow-leaf wirelettuce**, *Stephanomeria tenuifolia*; native shrub
- Pullout grass**, *Festuca octoflora*; native annual grass
- Arctic rush**, *Juncus arcticus*; native perennial grass
- Smooth horsetail**, *Equisetum laevigatum*; native perennial grass
- Giant reed**, *Phragmites australis*; native perennial grass
- Cattail**, *Typha domingensis*; native perennial grass
- American speedwell**, *Veronia americana*; native perennial forb
- Pale evening primrose**, *Oenothera pallida*; native perennial forb
- Rough cocklebur**, *Xanthium strumarium*; native annual forb
- Wooly plantain**, *Plantago patagonica*; native perennial forb
- White sagebrush**, *Artemisia ludoviciana*; native perennial forb

Less common Glen Canyon native plant species in restoration zone

- Boxelder**, *Acer negundo*; native tree
- Redbud**, *Cercis occidentalis*; native tree
- Birchleaf buckthorn**, *Frangula betulifolia*; native shrub
- Rubber rabbitbrush**, *Ericameria nauseosa*; native shrub
- Stansbury's cliffrose**, *Purshia stansburyana*; native shrub
- Baltic rush**, *Juncus balticus*; native perennial grass
- Common threesquare**, *Schoenoplectus pungens*; native perennial grass

Indian ricegrass, *Eriocoma hymenoides*; native perennial grass

Porcupine sedge, *Carex hystericina*; native perennial grass

Sand dropseed, *Sporobolus crytandrus*; native perennial grass

Spike dropseed, *Sporobolus contractus*; native perennial grass

Torrey's rush, *Juncus torreyi*; native perennial grass

Western bottle-bush grass, *Elymus elymoides*; native perennial grass

Adonis stickleaf, *Mentzelia longiloba*; native perennial forb

Broom snakeweed, *Gutierrezia sarothrae*; native forb

Canada goldenrod, *Solidago canadensis*; native perennial forb

Common horsetail, *Equisetum arvense*; native perennial forb

Copperweed, *Euphrosyne acerosa*; native perennial forb

Cotton batting plant, *Pseudognaphalium stramineum*; native annual forb

Cursed buttercup, *Ranunculus sceleratus*; native annual forb

Desert dandelion, *Malacothrix glabrata*; native annual forb

Desert prince's plume, *Stanleya pinnata*; native perennial forb

Gooseberryleaf globemallow, *Sphaeralcea grossulariifolia*; native perennial forb

Hoary aster, *Dieteria canescens*; native perennial forb

James' catseye, *Oreocarya suffruticosa*; native perennial forb

Longstem evening primrose, *Oenothera longissima*; native biennial forb

Mountain pepperweed, *Lepidium montanum*; native forb

Notch-leaved phacelia, *Phacelia crenulate*; native annual forb

Paiute suncup, *Chylismia scapoidea*; native annual forb

Sacred datura, *Datura wrightii*; native annual forb

Salt heliotrope, *Heliotropium curassavicum*; native perennial forb

Sand verbena, *Abronia fragrans*; native perennial forb

Small wirelettuce, *Stepahnomeria exigua*; native biennial forb

Steve's dustymaiden, *Chaenactis stevioides*; native annual forb

Tansyleaf tansyaster, *Machaeranthera tanacetifolia*; native annual forb

Threadleaf groundsel, *Senecio flaccidus*; native perennial forb

Tidy fleabane, *Erigeron concinnus*; native perennial forb

Western goldentop, *Euthamia occidentalis*; native perennial forb

White prairie clover], *Dalea candida*; native annual forb

Yellow bee plant, *Cleomella lutea*; native annual forb

Yellow cryptantha, *Oreocarya flava*; native perennial forb

False Virginia creeper, *Parthenocissus inserta*; native perennial vine

Western clematis, *Clematis ligustifolia*; native perennial vine

Hanging garden plant species found in restoration zone

Maidenhair fern, *Adiantum veneris-capillaris*; native perennial fern

Crimson monkeyflower, *Erythranthe eastwoodiae*; native perennial forb

California sawgrass, *Cladium californicum*; native perennial herb

Cave primrose, *Primula specuicola*; native perennial forb

Stream orchid, *Epipactis gigantea*; native perennial forb

Mat rock-spirea, *Petrophytum caespitosum*; native shrub

Bushy bluestem, *Andropogon glomeratus*; native perennial grass

Common Glen Canyon non-native plant species in restoration zone

Tamarisk, *Tamarix ramosissima*; non-native shrub

Cheatgrass, *Bromus tectorum*; non-native annual grass

Rabbitfoot grass, *Polypogon monospermiensis*; non-native annual grass

Ravenna grass, *Tripsidium ravennae*; non-native perennial grass

Russian thistle, *Salsola tragus*; non-native annual forb

Spotted ladythumb, *Persicaria maculosa*; non-native annual forb

Yellow sweet clover, *Melilotus officinalis*; non-native annual forb

Less common Glen Canyon non-native plant species in restoration zone

Russian olive, *Elaeagnus angustifolia*; non-native tree

Awned barnyard grass, *Echinochloa crus-galli*; non-native annual grass

Beardless rabbitsfoot grass, *Polypogon viridis*; non-native annual grass

Compact brome, *Bromus madritensis*; non-native annual grass

Black mustard, *Brassica nigra*; non-native annual forb

Curly dock, *Rumex crispus*; non-native perennial forb

Prickly lettuce, *Lactuca serriola*; non-native annual forb

Russian knapweed, *Leuzea repens*; non-native annual forb

Spiny sowthistle, *Sonchus asper*; non-native annual forb

Tall tumbled mustard, *Sisymbrium altissimum*; non-native annual forb
